

Did you know that you can receive your receipt documents electronically?

Please help us save time and money by faxing a letter to your DRMO telling us that you no longer want to receive mailed back receipt copies!

All of your documents are scanned and uploaded to WEBDOCS

You can access WEBDOCS from our home page:

<http://www.drms.dla.mil/>

**ACCESS
WEBDOCS
HERE**

**Click on the
Document Search Tab**

If you have any questions or need any assistance with turning property in or viewing your WEBDOCS please contact your Disposal Service Representative. If you don't know who your representative is, please call your local DRMO and you will be assigned one.

There are some DD 1348-1A's that do not get scanned into WEBDOCS because we place the property in "batches" with similar type property. We will continue to mail back hard copy receipts of any documents that are not scanned in WEBDOCS.

Please join us in helping to keep DRMS environmentally friendly!
